

Environmental parameters for agent 1 simulations

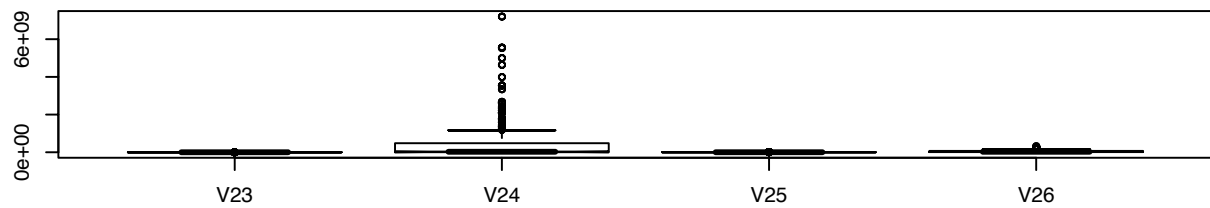

Precipitation Characteristics

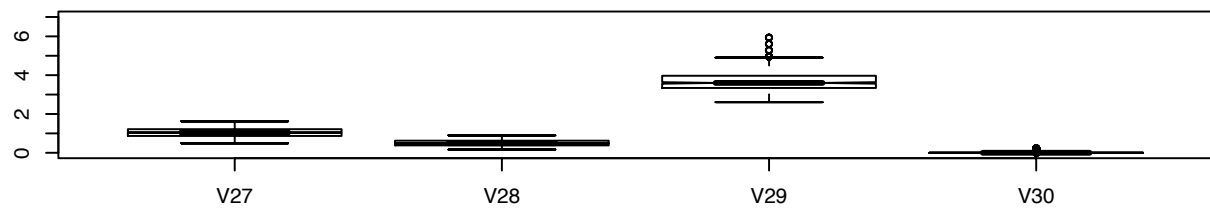

Discharge Characteristics

Subsurface Run-off Characteristics

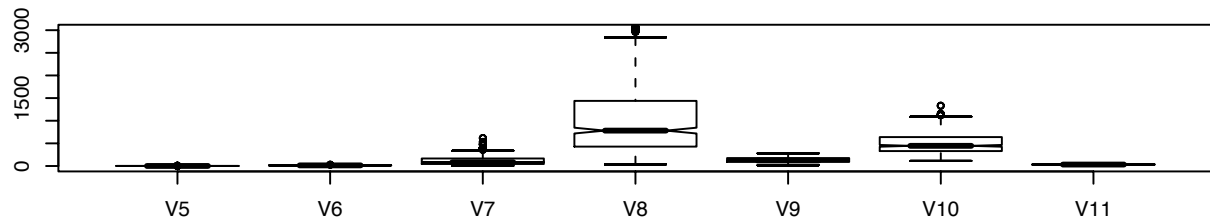

Overland Flow Characteristics

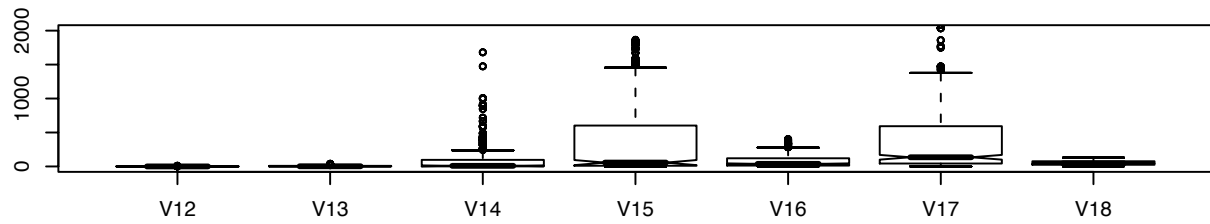

Evapotranspiration Characteristics

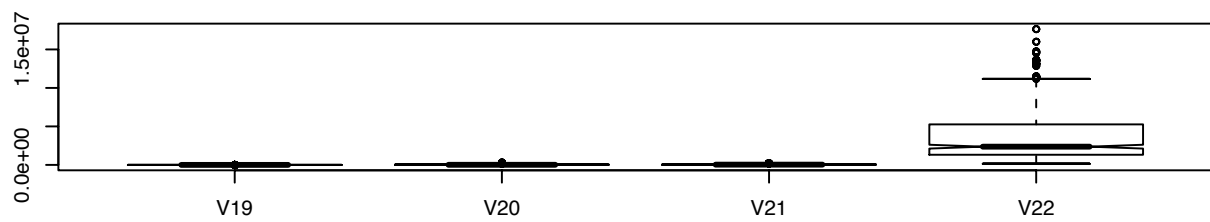

Environmental parameters for agent 2 simulations

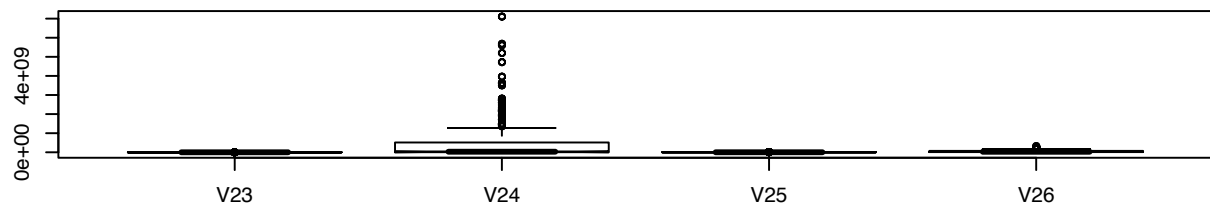

Precipitation Characteristics

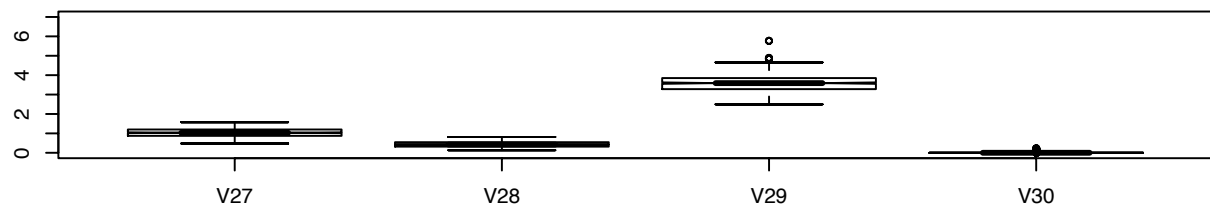

Discharge Characteristics

Subsurface Run-off Characteristics

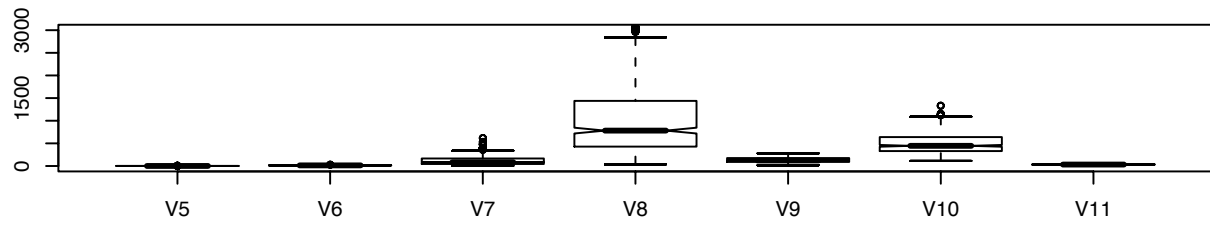

Overland Flow Characteristics

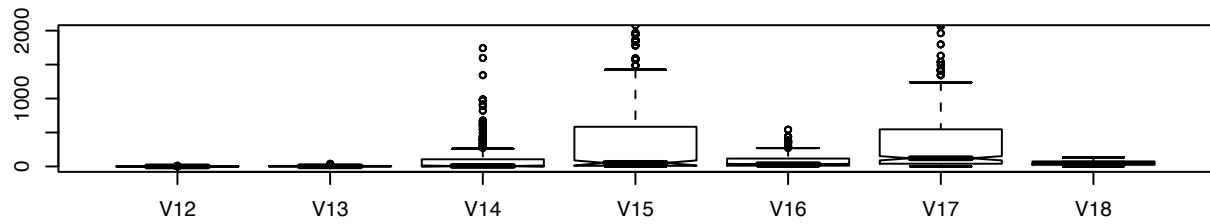

Evapotranspiration Characteristics

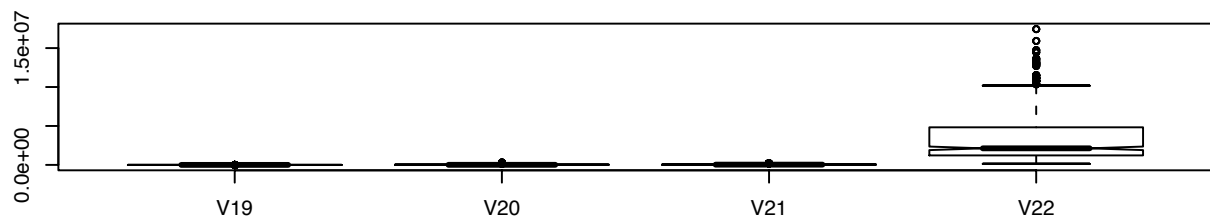

Environmental parameters for agent 3 simulations

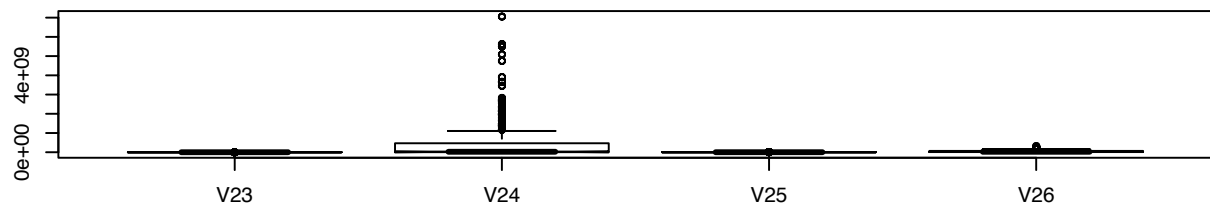

Precipitation Characteristics

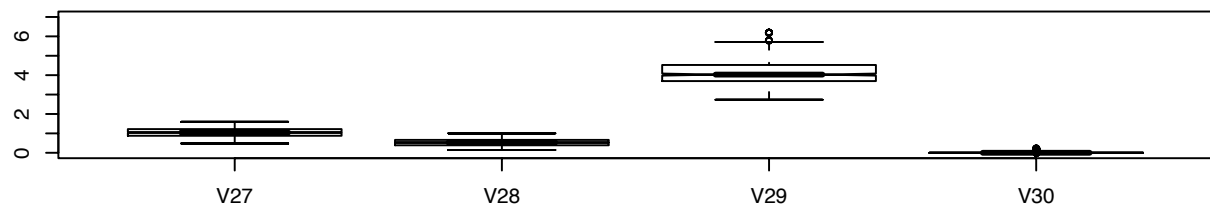

Discharge Characteristics

Subsurface Run-off Characteristics

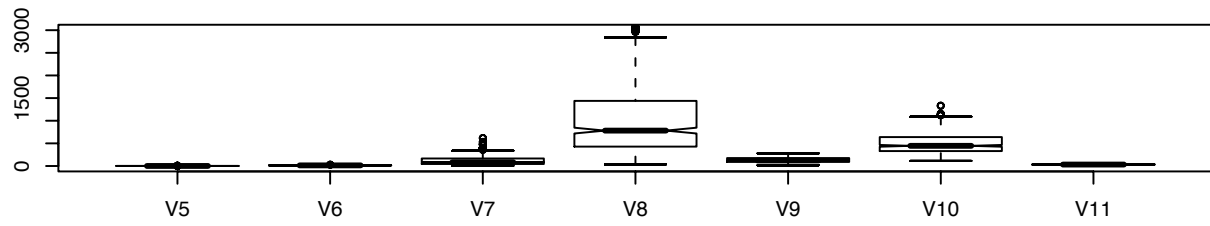

Overland Flow Characteristics

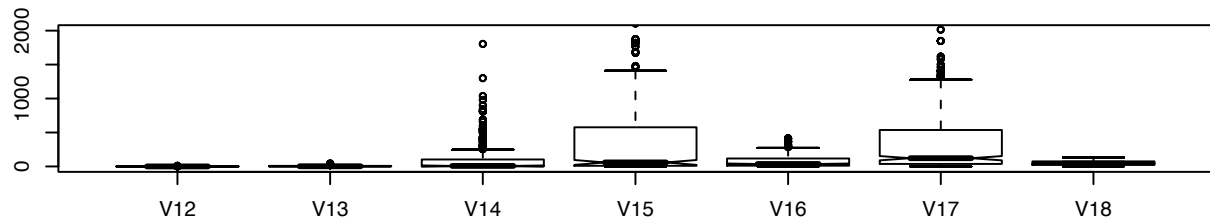

Evapotranspiration Characteristics

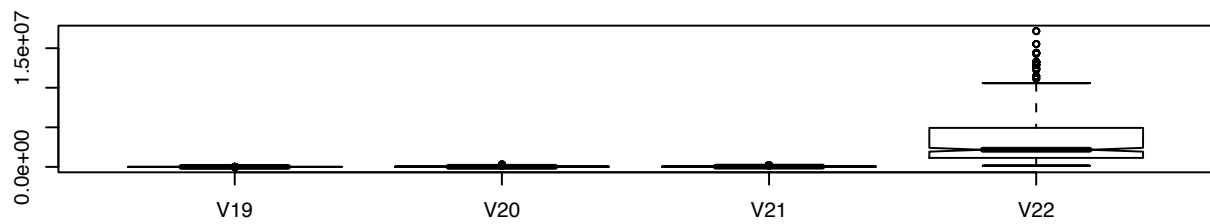

Environmental parameters for agent 4 simulations

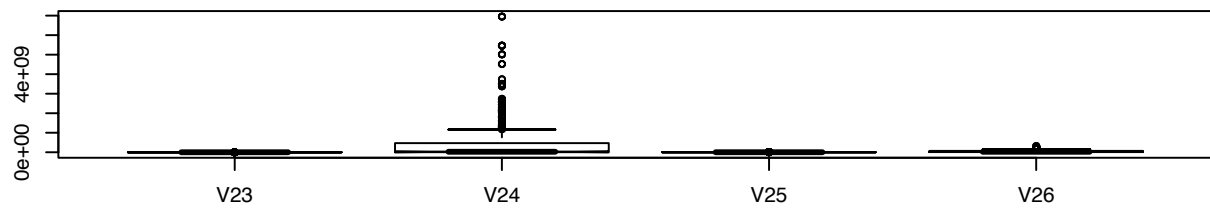

Precipitation Characteristics

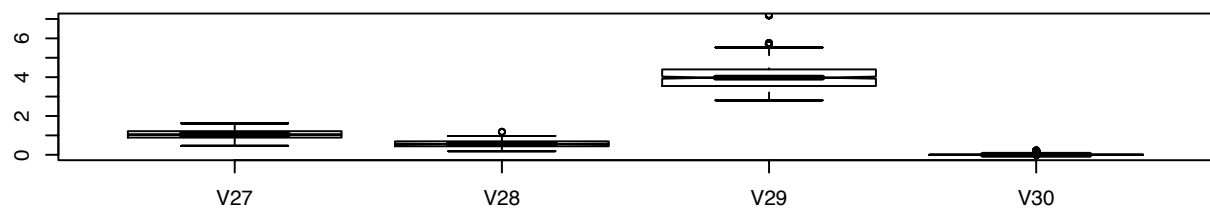

Discharge Characteristics

Subsurface Run-off Characteristics

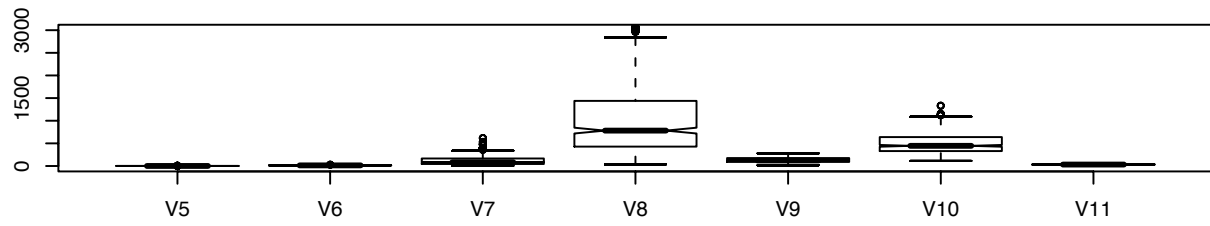

Overland Flow Characteristics

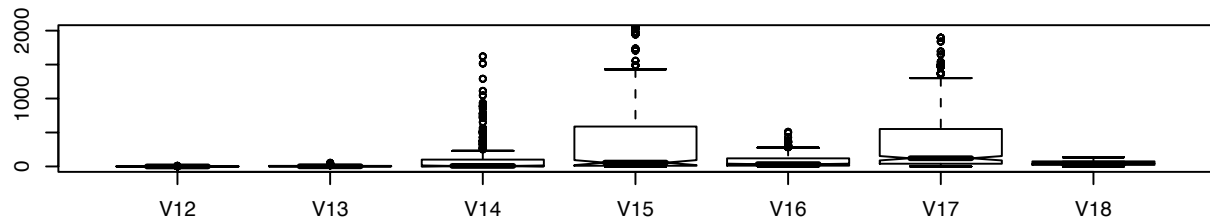

Evapotranspiration Characteristics

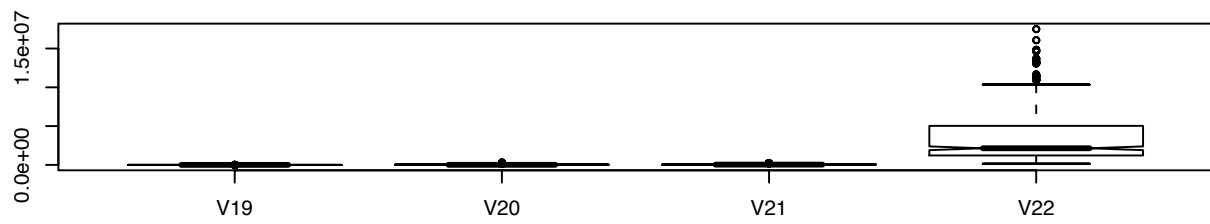

Environmental parameters for agent 5 simulations

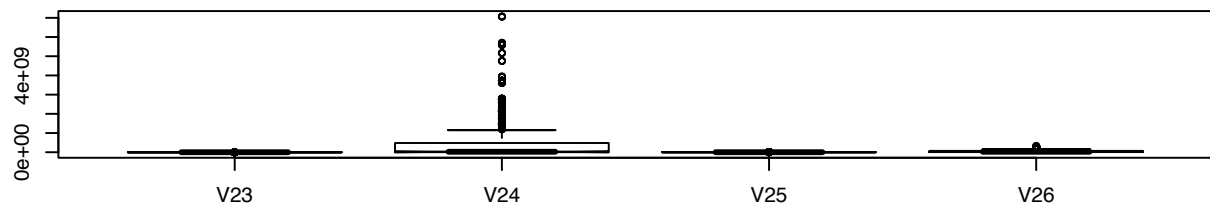

Precipitation Characteristics

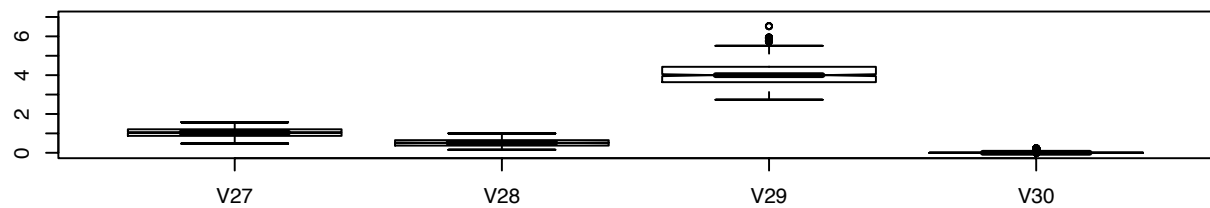

Discharge Characteristics

Subsurface Run-off Characteristics

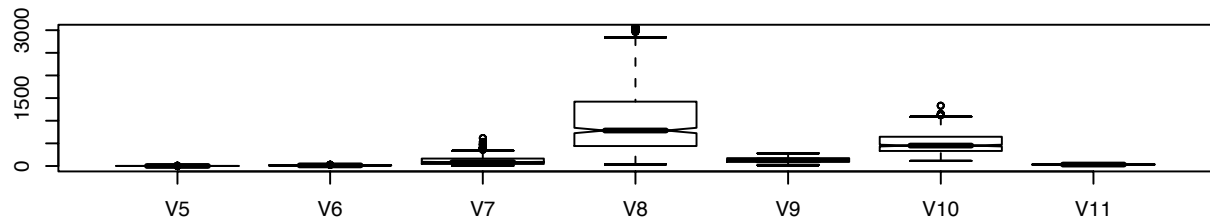

Overland Flow Characteristics

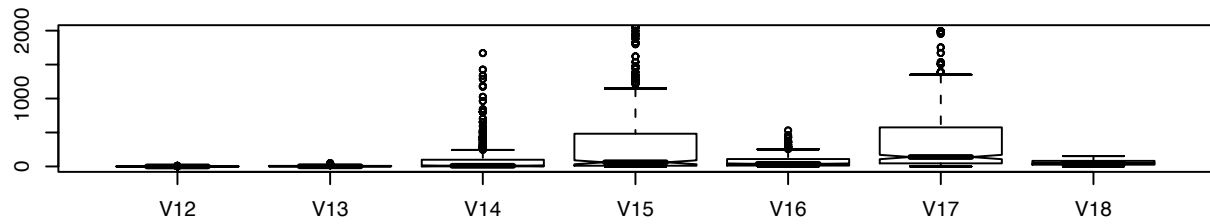

Evapotranspiration Characteristics

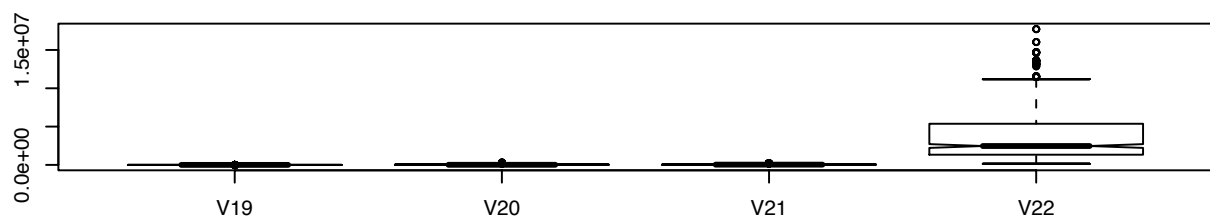

Environmental parameters for agent 6 simulations

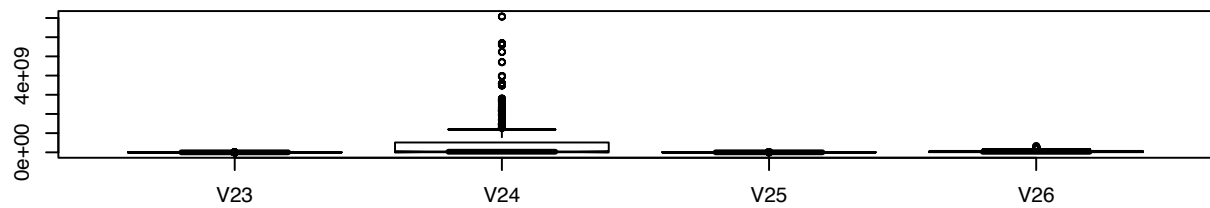

Precipitation Characteristics

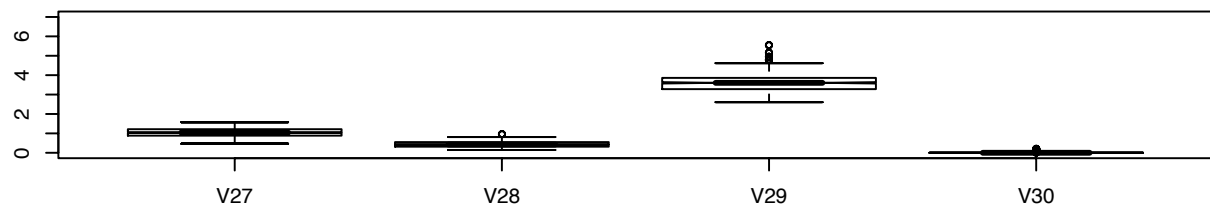

Discharge Characteristics

Subsurface Run-off Characteristics

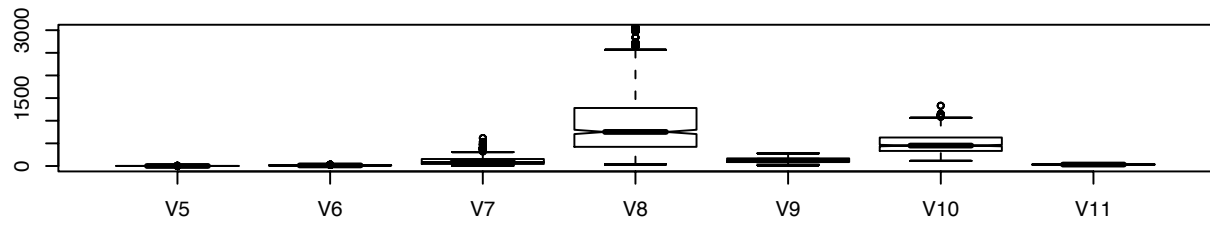

Overland Flow Characteristics

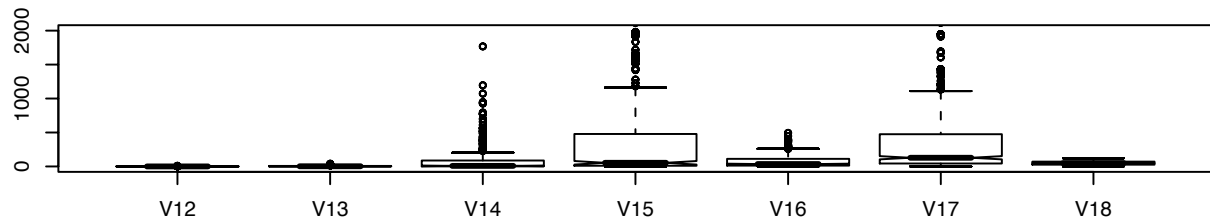

Evapotranspiration Characteristics

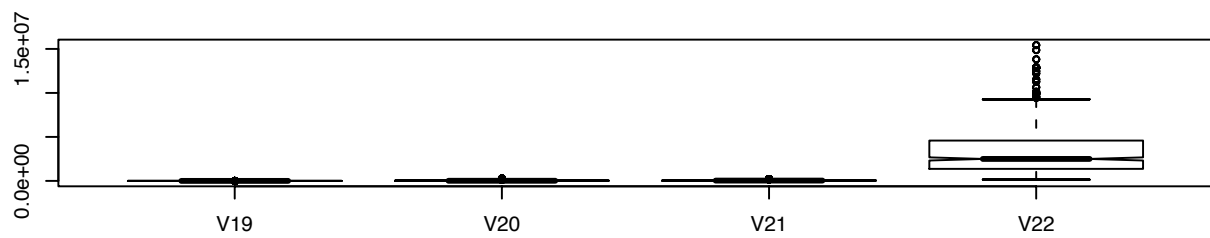

Environmental parameters for agent 7 simulations

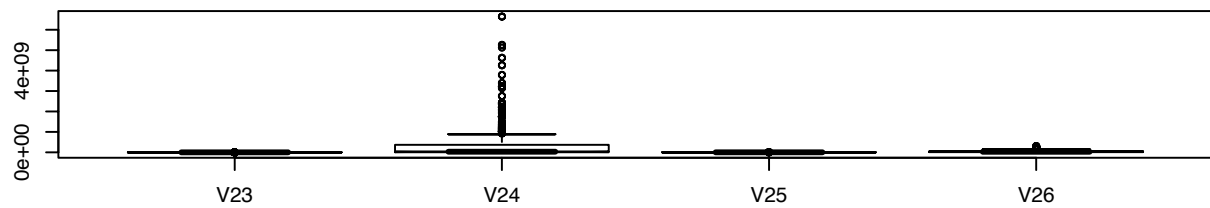

Precipitation Characteristics

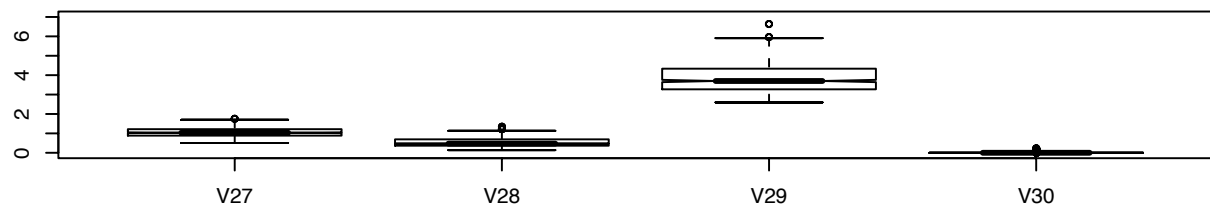

Discharge Characteristics

Subsurface Run-off Characteristics

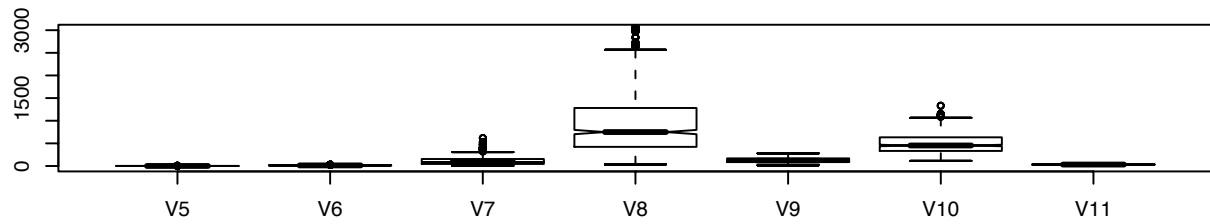

Overland Flow Characteristics

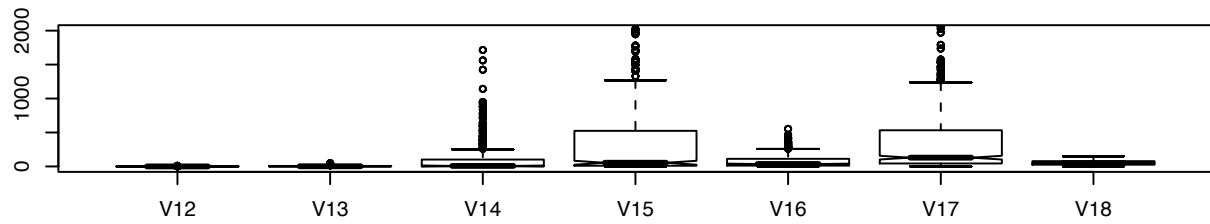

Evapotranspiration Characteristics

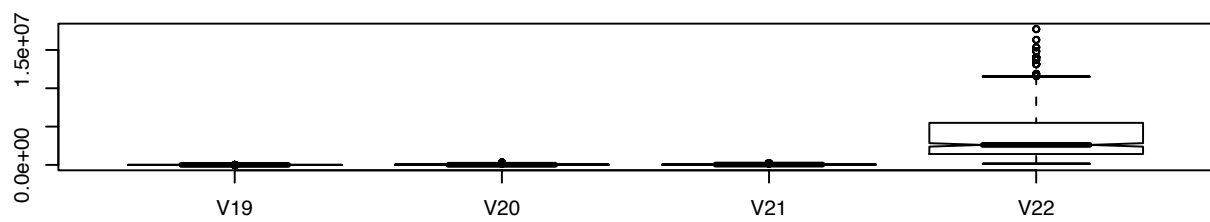

Environmental parameters for agent 8 simulations

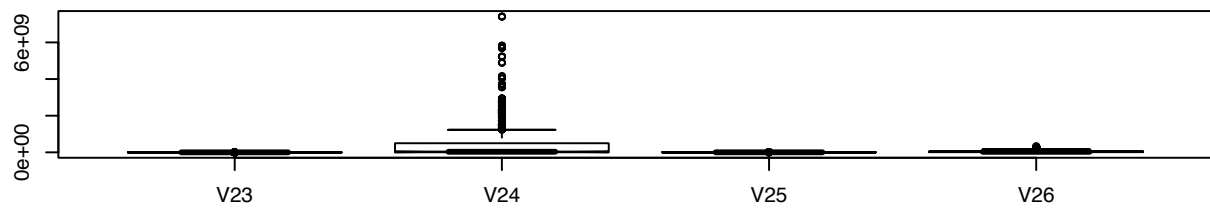

Precipitation Characteristics

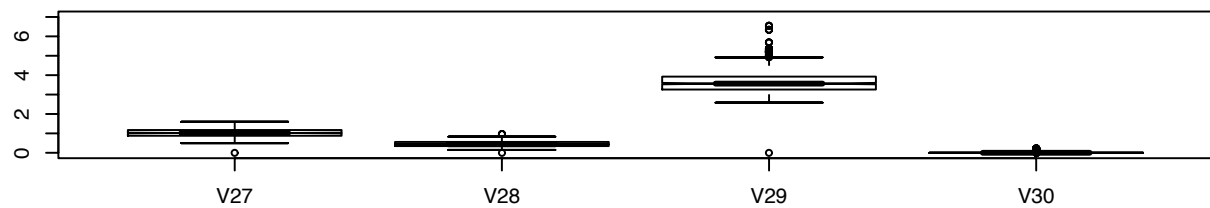

Discharge Characteristics

Subsurface Run-off Characteristics

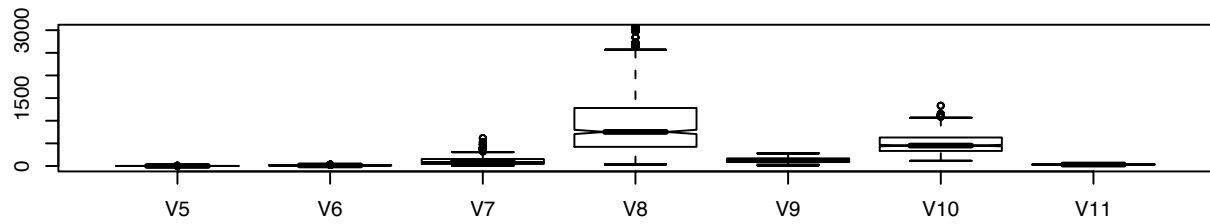

Overland Flow Characteristics

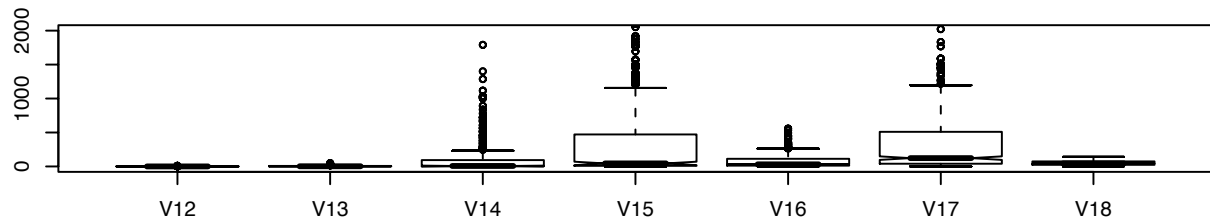

Evapotranspiration Characteristics

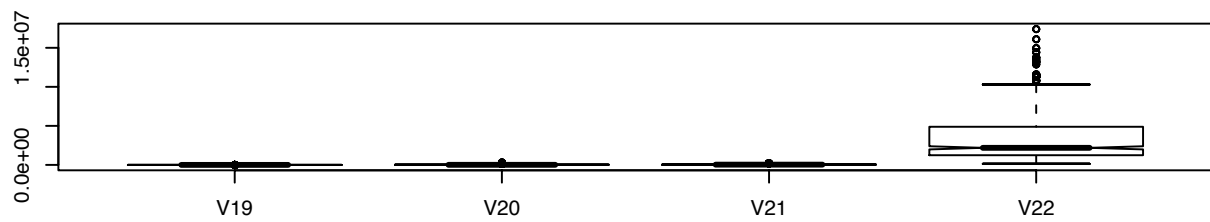

Environmental parameters for agent 9 simulations

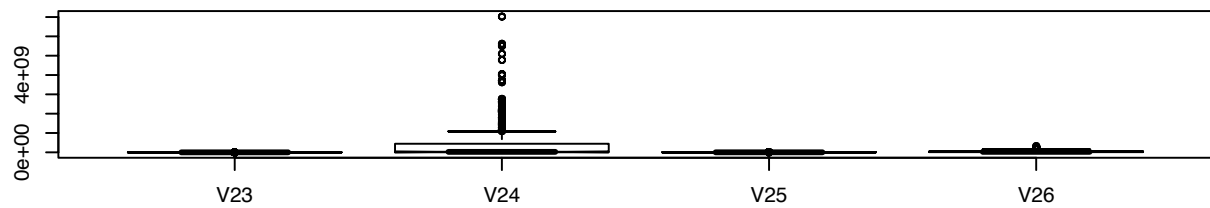

Precipitation Characteristics

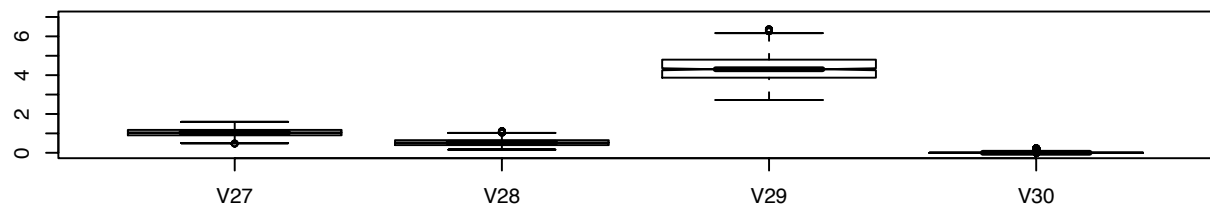

Discharge Characteristics

Subsurface Run-off Characteristics

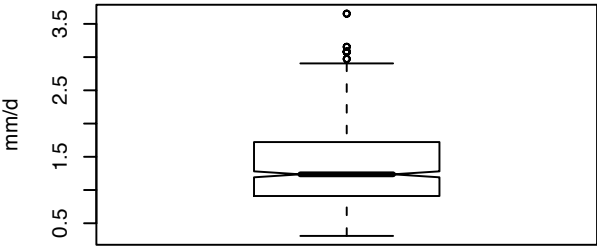

Overland Flow Characteristics

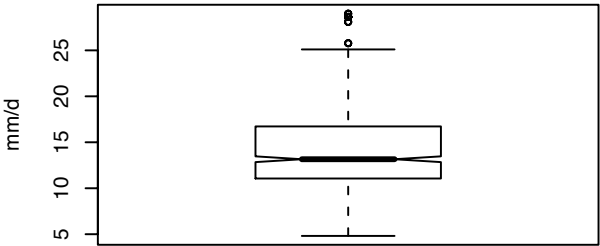

Evapotranspiration Characteristics

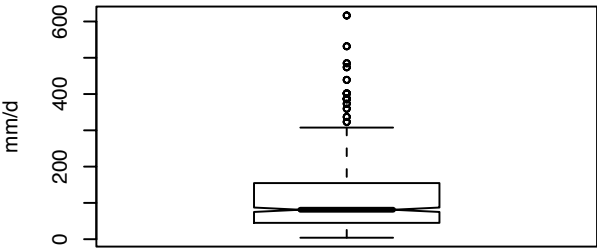

Environmental parameters for agents – PRECIPITATION

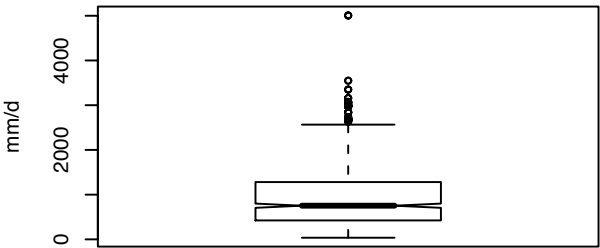

agent
Mean Precipitation

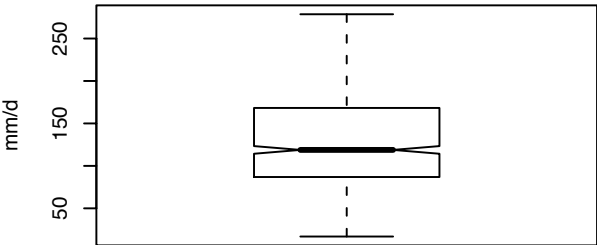

agent
Mean Precipitation without zeros

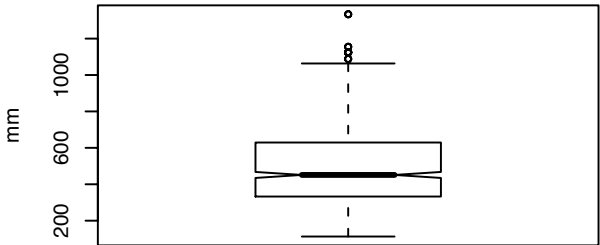

Precipitation Variance

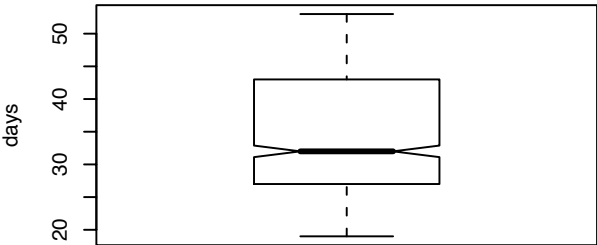

Precipitation Variance without zeros

Maximum Precipitation

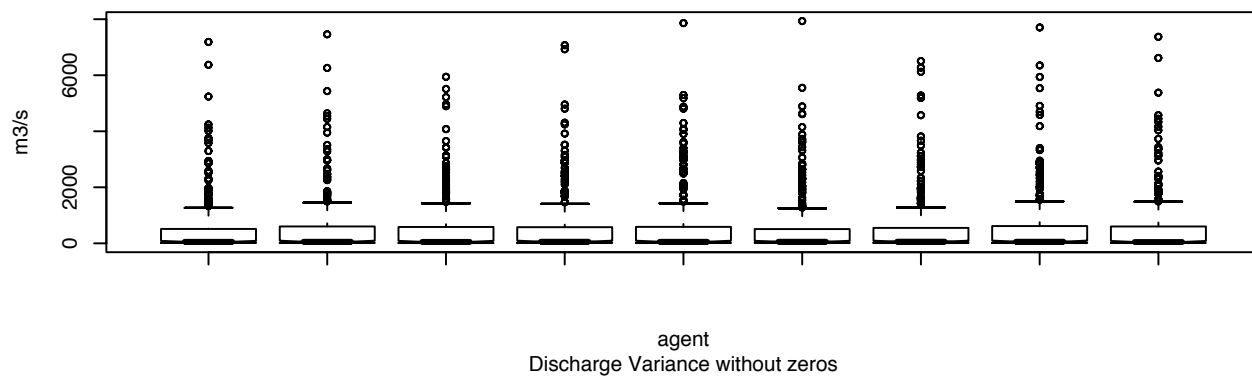

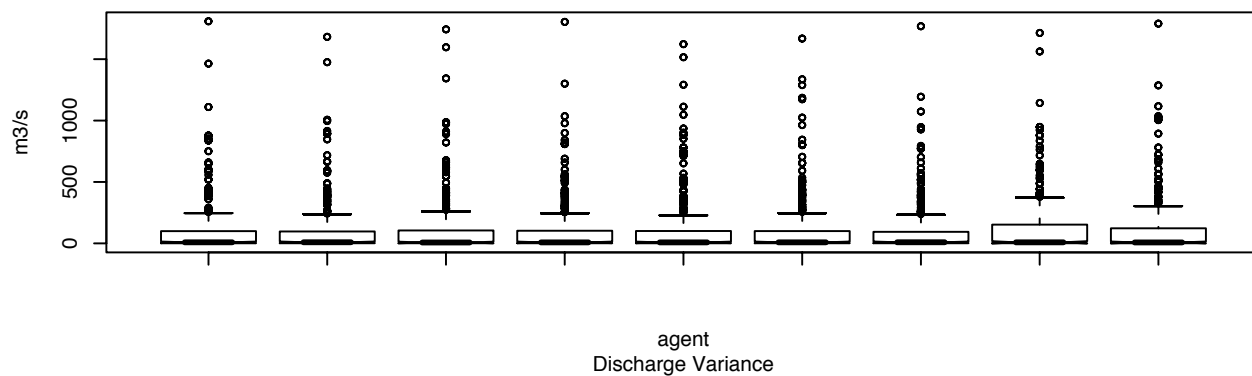

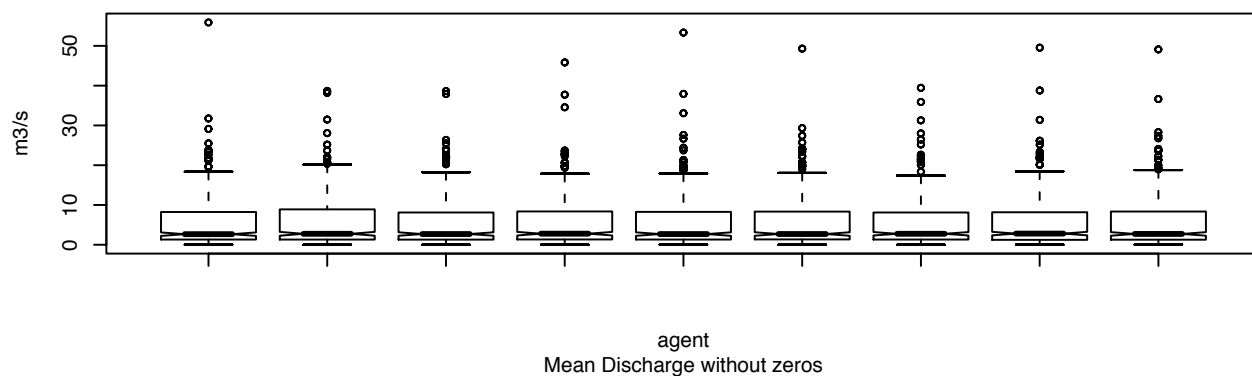

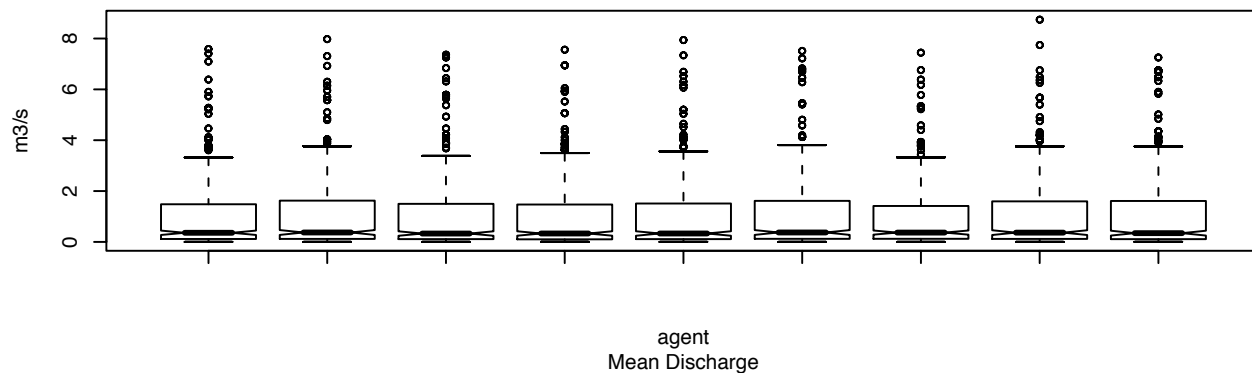

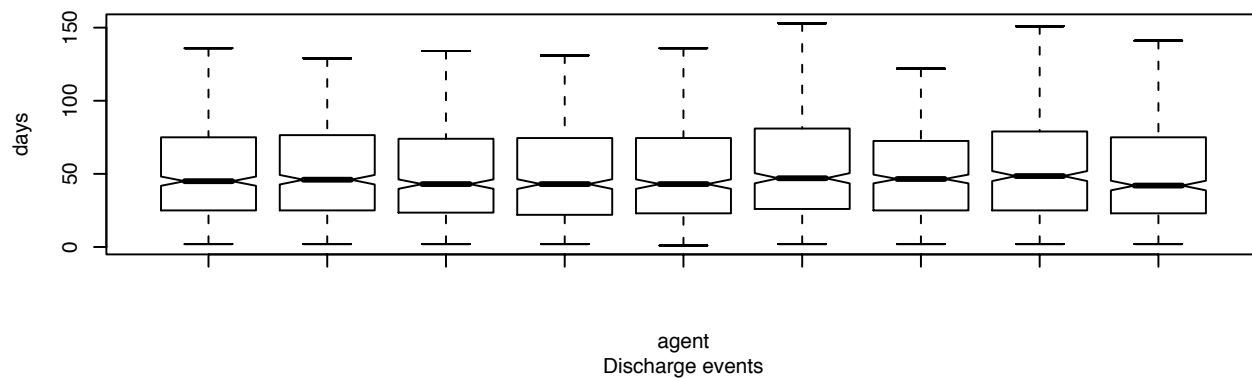

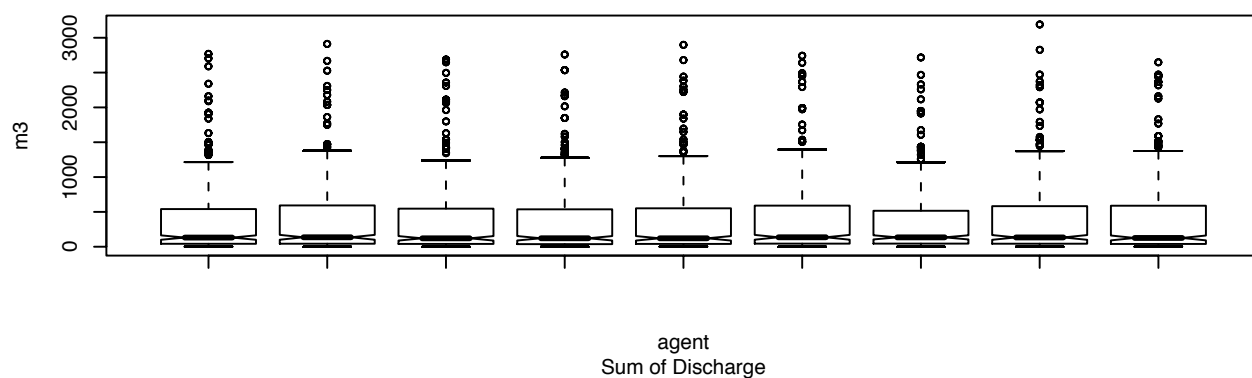

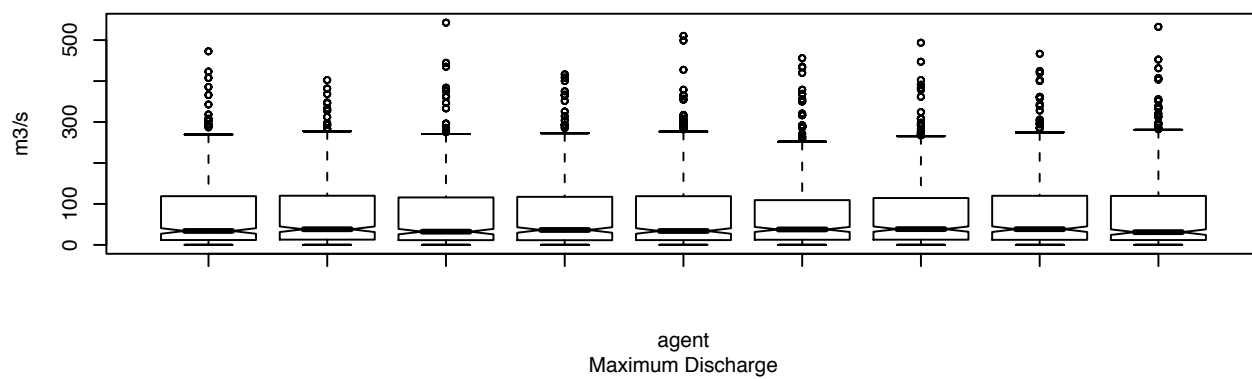

Annual Sum of Precipitation

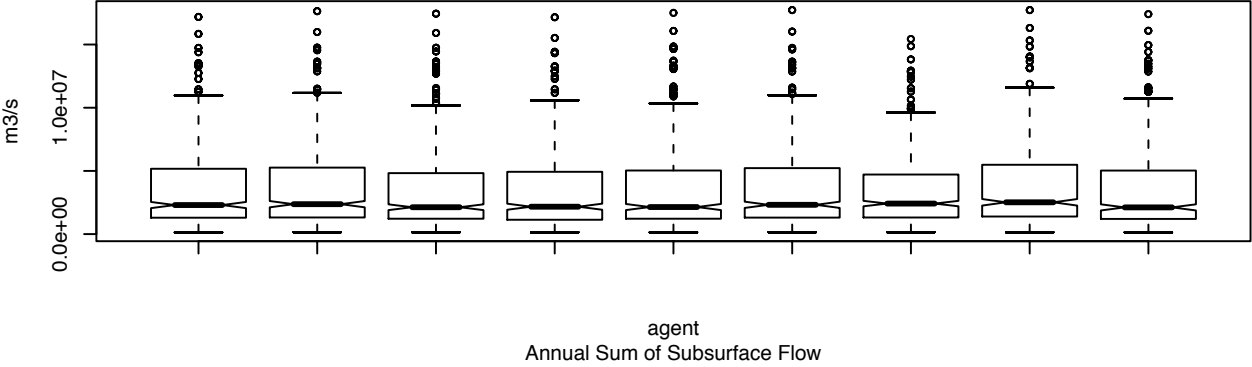

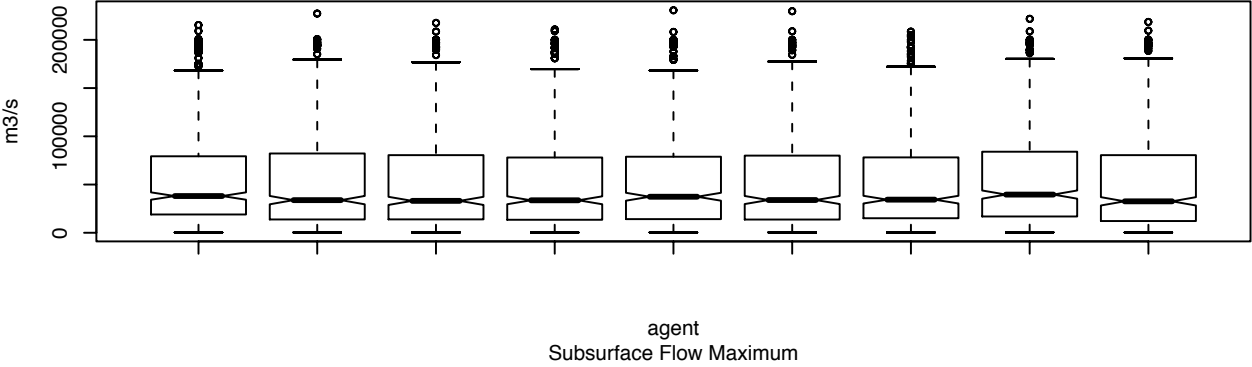

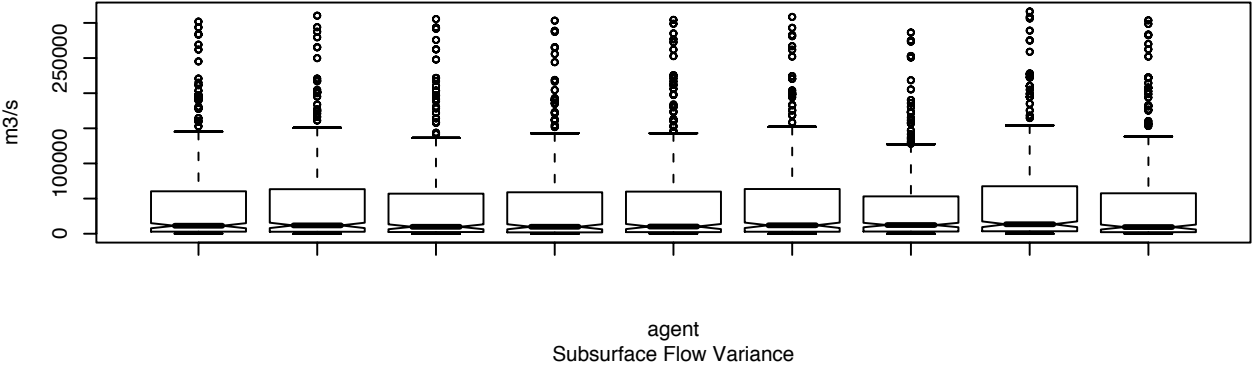

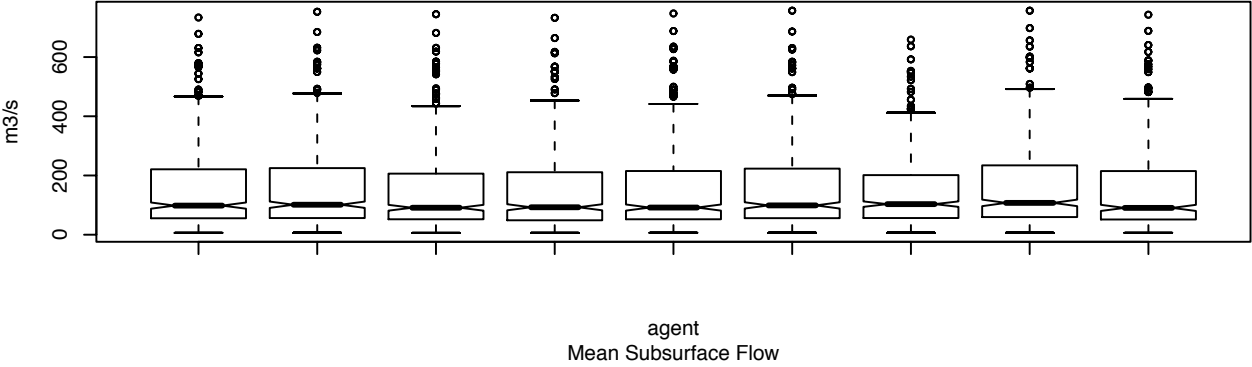

Precipitation events

Environmental parameters for agents – DISCHARGE

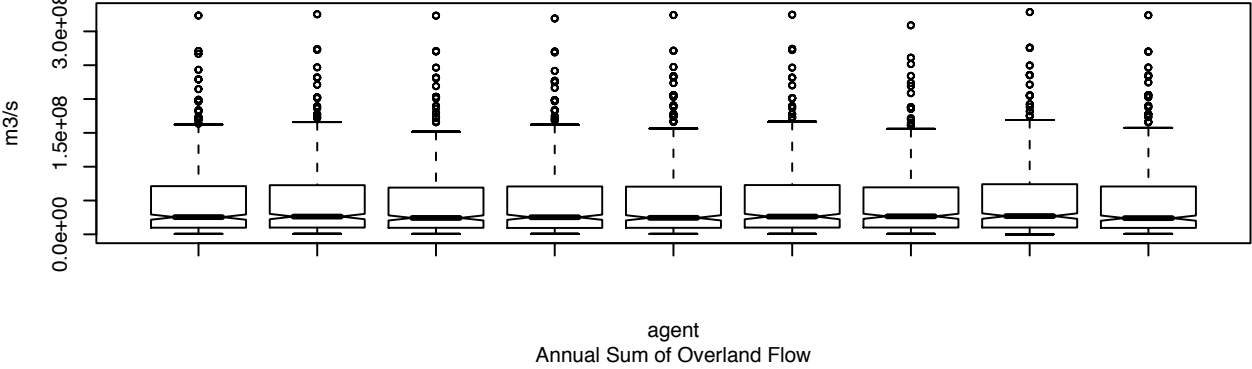

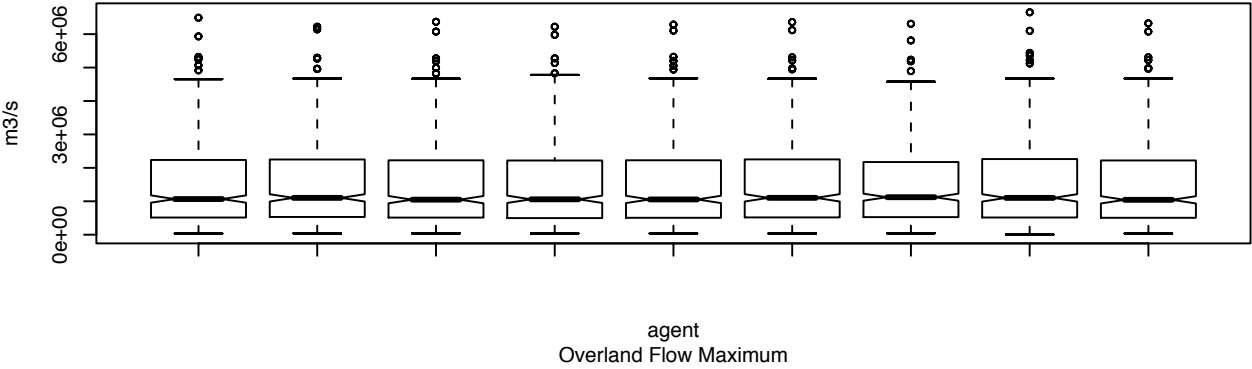

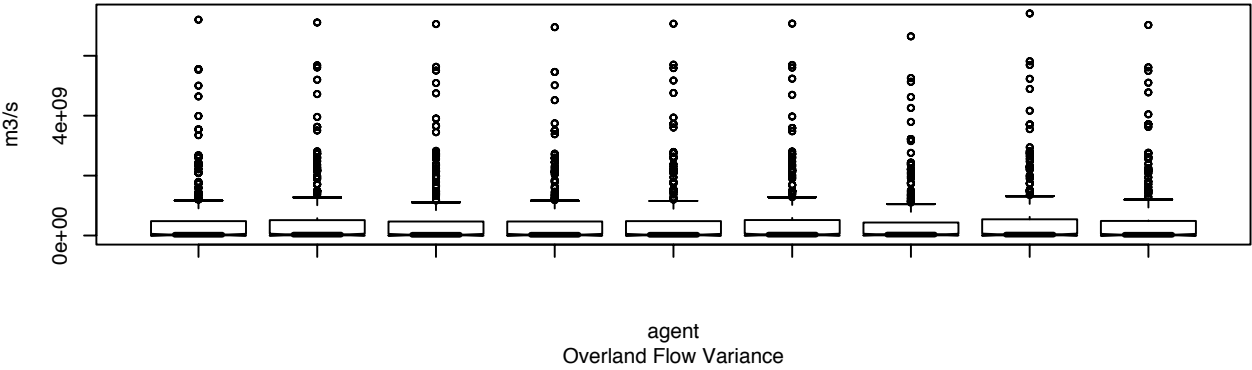

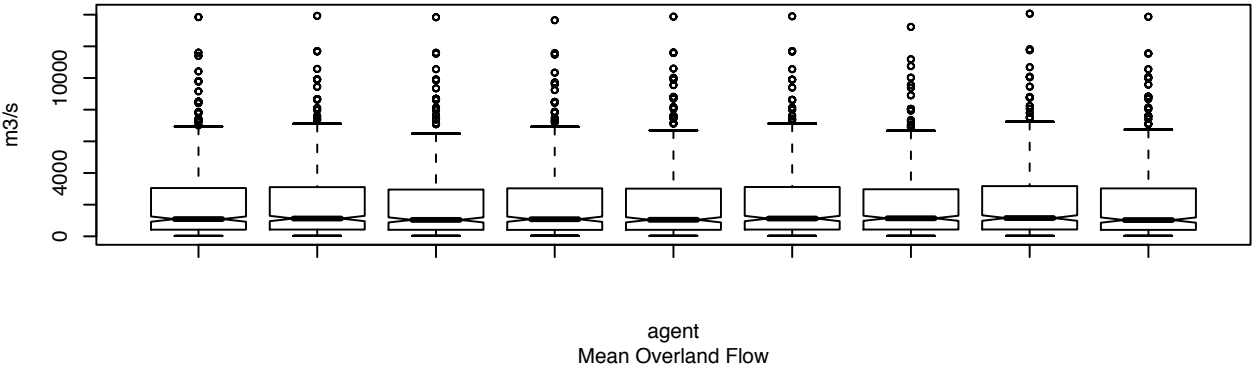

Environmental parameters for agents – SUBSURFACE FLOW

Environmental parameters for agents – OVERLAND FLOW

Environmental parameters for agents – EVAPOTRANSPIRATION
