Abstract:

Granting of a Creative Commons License

You can concede a Creative Commons License for the document.

Creative Commons Licenses modify and concretise the rights for using your publication by others. Basically every publication is covered by the German copyright. Exclusive rights of use and exploitation can cause barriers for the spread of knowledge in science and culture. The Creative Commons License permits the deviation from specific settlements of the copyright in terms of Open Access. You can, e.g. allow to use parts of your lecture in course materials. (More information at the website of Creative Commons: <http://de.creativecommons.org/> und <http://sciencecommons.org/>).
